

# About your phone

**HYDROGEN**

NOTE: Devices and software are constantly evolving – images you see here are for reference only.

# Setting up your phone

## Installing SIM card and microSD card

1. Carefully slide out the tray.
2. Insert the SIM and microSD card into the tray with gold contacts facing up (as shown).
3. Carefully slide the tray back into place.

NOTE: The microSD card is sold separately.

## Charging your phone

Please charge the phone fully with original charger and USB cable before turning it on. Only use the RED Tech chargers and accessories included along with your phone.

1. Plug the charger into an outlet.
2. Connect the cable to the charger and your phone.

## Turning your phone on and off

To turn your phone on, press and hold the Power/Lock button.

To turn it off, press and hold the Power/Lock button and follow the instructions.

# Important information
